September 22-24 (Thursday-Saturday), 2022

WORKSHOP THEMES:

Please consider **submitting an abstract** for presentation at the fifth annual workshop, *Philosophy and Neuroscience at the Gulf V*, of the Deep South Philosophy and Neuroscience Workgroup, currently scheduled as an **in-person meeting at the beachfront Hilton Pensacola Beach Hotel, Pensacola Beach, FL, from Thursday, September 22 through Saturday, September 24.**

For this year's meeting we are calling for **submitted abstracts** for talks on any topic in current philosophy of neuroscience broadly construed ("philosophy of neuroscience varia"), but also for talks on a special session planned on the role of microscopy in neuroscience research.

We will feature our usual annual events, including **invited speakers, invited neuroscientist keynote lectures**, and short "blitz" talks so as to accommodate as many participants as possible.

Abstracts (up to 750 words) for submitted presentations are due by **July 1, 2022**. Please submit your abstract **as a Word doc (or docx) or pdf** to John Bickle at jbickle@philrel.msstate.edu.

Participants will be responsible for their own travel costs; the Hilton Pensacola Beach will offer special conference rates to all participants for Wednesday night, September 21 through Sunday, September 25. There continues to be no workshop registration fee; funding from the Department of Philosophy and Religion at Mississippi State University pays for workshop meeting space, light breakfast snacks, and coffee and refreshment breaks each day.

Please direct all queries to John Bickle at the email address given above, or to Ann-Sophie Barwich at abarwich@iu.edu.
